# FUTUREPRENEURS

 **RECREATIVITY**

Co-funded by the  
European Union

# ABOUT THE PROGRAM

Futurepreneurs is a Training Course that is based on entrepreneurial skills with a focus on impact making. We would like to create a space for youth workers, educators, mentors, young people who are thinking about setting up their own enterprises to learn about businesses, develop entrepreneurial competencies and practice how to create something new out of a simple idea.

Participants will get the chance to practice first hand the challenges of starting a business, work in a team, implement their ideas, using creativity, and a sense of initiative. Furthermore, they will explore how they can pass on this knowledge to their target groups, with what tools they can support young people to start their own journeys when developing a business idea.

## **METHODOLOGY**

The main methods we use are gamification, simulations and creative recycling which is based on creativity, cooperation and crafting. We use creativity and upcycling as a tool to develop a range of skills.

# THE TEAM

The program is organized by ReCreativity, a Budapest-based social enterprise. We offer non-formal education programs that utilize creative recycling methods to help individuals develop innovative solutions in their everyday lives while also promoting environmental awareness. The program of this mobility is designed and conducted by a multicultural team of experienced trainers and assistants. The team includes experienced business owners and experts in organisational development and management.

# MEET THE TRAINERS

## Kata Dietrich

Hi! I am Kata, trainer and training coordinator of ReCreativity. I have been involved in international youth projects for over 15 years - first as a participant and volunteer until 8 years ago I started to work closely with ReCreativity. Since then, I have been facilitating and managing international programs in diverse topics, and have led a great number of workshops and other educational activities as a freelance trainer and training coordinator. I finished my master's degree in leadership and management where I specialized in organizational psychology and HR management and last year I became one of the co-owners of ReCreativity. I will bring my knowledge from my studies as well as my own experience as a freelance entrepreneur and a newly became owner of a social enterprise to this training program.

## Gergő Stefán

Hi I am Gergő, I've been working with ReCreativity on a project basis since 2019. During those past years I have organised trainings and youth exchanges as a Project Manager and held countless workshops as well as a facilitator. Besides all that in my everyday work I am building my own company as an entrepreneur for a few years. My company is specialized in offering team building activities for companies, we make teambuildings happen for up to 200 people! I learnt these past few years the ups and downs of establishing and maintaining a business, and I am ready to share my own experiences and expertise with you. I can't wait to meet you in person and hope to make the best training for you!

# PARTICIPANTS

Participation is open to people who are over 18 years old, coming from Romania, Sweden, Italy, Serbia, Latvia, Czech Republic, Slovakia, Slovenia, Armenia and Hungary.

We are looking for individuals open to explore innovative non-formal education methods, fostering personal growth, entrepreneurial knowledge and skills. The program is designed for youth workers, trainers, and NGO members active in the field of non-formal education, and is customized to offer tools that you can build in your organisational/ professional lives in order to support youth in the area of entrepreneurship. There will be a special focus on sustainable businesses, therefore we are looking for people who are interested in discovering how to create businesses with a social impact.

In case you are from a country that is not listed here, but you would like to participate, contact us on [futurepreneurs2024@gmail.com](mailto:futurepreneurs2024@gmail.com)

# LOGISTICS

1 - 9 NOVEMBER, 2024 | Hollókő, Hungary

The program will take place in the beautiful small village of Hollókő in Hungary.

Transportation from Budapest to Hollókő and back will be organised by a common bus for the whole group. Accommodation is arranged at Kreatív Tér, a group accommodation space where participants will stay in rooms of 4-6.

See more information here: <https://kreativter.hu/>

Address: 3176 Hollókő, Orgona út 31.

We believe that one of the greatest - if not the biggest - challenges of humankind is climate change. To enhance the sustainability of this project, we will implement various sustainable practices. As we try to lower our environmental footprint, we choose to provide a vegetarian menu during our project. We aim to create a menu that is seasonal and as sustainable as possible - while also supporting local producers. We invite you to take this as an opportunity to try something new - we will make sure that you will get to know great new delicious meals and recipes as we work closely with the accommodation and their kitchen for years!
